E-MAIL Ministry...

Some who have sent us E-mails
in the past few months:

Jen, age 21 and a student at Rutgers University, Newark, NJ, writes:
"I was on Spring Break and I slept with someone. I feel a little nauseous today. I was wondering what advice you could give me or what you think.
I also went out last night, so maybe I feel this way from drinking.
I am just nervous."

Angel, from Lodi, NJ and
Priscilla from Jersey City, NJ are both 15 years old. They are wondering whether or not they should get an abortion.

Emily, age 17, from Westfield, NJ, writes that she is an atheist.

Amy, from Tuscumbia, MO, states, "I am broke."

Megan, age 15, from Passaic, NJ, states "I have sex with my boyfriend all the time."

Amber, age 18, from Allison Park, PA, asks, "Should I get emergency contraception?"

Post Aborted Woman Chooses Life

Jenni, age 26, from Pittsburgh writes:
"I am a teacher. My boyfriend and I have been together for about a year and a half and living together for most of that time. We have discussed our options if I am pregnant, and we both want to keep the baby. I told him I cannot go through the emotional strain of another abortion."

PRAYER AND PRAISE

Praise the Lord –
for providing the \$20,000 needed
for the sonogram unit.

Please pray for Maria. She is 38 years old and now 7 weeks pregnant by her boyfriend. She has three children from her ex-husband, 12, 9 and 5 and does not want another. She left considering carrying to term. Pray that she have this baby and that she considers the claims of Christ.

Did You Know?

Teen pregnancies dropped in all states except New Jersey from '92-'96. The national average for teen abortions was 35%, for N.J. it was 58%.

THE SONOGRAM CHALLENGE

"Attempt great things for God and expect great things from God."

William Carey, Missionary

On behalf of the Board of Directors of Gateway, I'd like to pass on the news that we've reached our goal of **\$20,000** towards the Rev. Christian Larson Memorial Fund!

Our desire was to have secured all the funds by the fall of 2001.

The Lord provided before that time!

Our goal if for three to five nurses to be trained and the unit made operational by the end of the year. This is an ambitious undertaking for a small ministry such as Gateway, but with God's help, and in Chris' own words, "We can do it!"

We are looking forward to seeing many of you at the formal dedication of the sonogram unit at our Fall Banquet, on Thursday, October 4th. (See p. 8)

Thank you to all who were involved and supported the project!

MORE E-MAIL

from around the world...

Alexander, from Hong Kong China writes:

"Dear Sir,

I am studying in the Hong Kong Adventist College. I am doing an assignment about Abortion. Abortion remains a controversial issue.

Can you give me some suggestions (point only) how to avoid abortion (induced) for the unwanted pregnancy.

And if the abortion already done, what can we help in Christian position. (Another word what we can do after the abortion).

Sincerely, Alexander, Hong Kong, China"

Amber, from South America writes:

"Hello! My name is Amber and I am living in South America. My Parents are missionaries to Bolivia, where I was born. Right now I am

considering careers that I would like to study in college, and I am interested in studying some kind of counseling. One of my good friends who worked as a crisis pregnancy counselor referred me to your organization, and told me that perhaps you might be able to help me out with some information. I was wondering about the degree that is required to be a crisis pregnancy counselor, and about what a crisis pregnancy counselor is."

“Thanks for the information. It was just a false alarm but I think you’ll be happy to know that me and my boyfriend talked, and we both decided to wait till we got

married because we don’t want anything to happen and when we get older if something like it did happen we would be married and be able to be responsible. So for now no more for me. I’ve learned my lesson and him too and it’s good because we’re each others first.”

Family and Communities Together referred a client to us who had baby needs for her soon to be born baby. She is 16 years old and she prayed to receive the Lord! Praise God!

**Abortion minded woman

Patricia, age 42, living in Elizabeth, has six live children and has aborted once (in 1978). She refused to see a video when she came in October of 2000,

because she didn’t like seeing killing. She also didn’t want to hear about carrying to term – she uses cocaine. Patricia called us in early

January, 2001 to tell us that she had baby Latoya on January 3rd! Praise the Lord!

Cindy, age 22, carried three children to term and aborted one. When Joan spoke with her in October, Cindy was headed for an abortion at Steven Brigham’s mill two floors above our Elizabeth office. After seeing “Harder Truth”, Cindy said that she had changed her mind and couldn’t murder her baby. Joan referred her to Dr. Arrunategui. Her due date was May 1, 2001.

... from 1999!

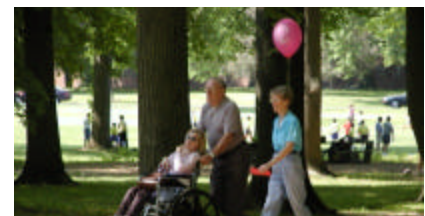

Dean spoke with Chanlia's boyfriend. He was unsure what they'd do. He was shown Harder Truth. He said he had seen something like that in school. Chanlia said she

didn't watch it all because she doesn't like seeing killing and all that. After a brief discussion, she admitted she didn't believe the baby was human at seven weeks. We discussed this and the love God has for her and her family. Also discussed the money abortionists are making and the racism of Planned Parenthood.

"...I didn't watch it all because I don't like seeing killing."
